

NATIONAL FIBER
CEL-PAK INSULATION

Professional Cellulose for Cellulose Professionals

Limited Lifetime Warranty for Cel-Pak Cellulose Insulation

What Does This Warranty Cover? This warranty covers the thermal performance of National Fiber's Cel-Pak Cellulose Insulation, as detailed on the coverage chart printed on each bag, when installed in accordance with professional application standards. Standards, coverage and thermal performance information is available from National Fiber or on our website, www.nationalfiber.com. National Fiber warrants that its Cel-Pak Cellulose Insulation meets the requirements of the Amended CPSC Standard (16CFR, Part 1209) ASTM C739 universal building code, including Title 24, Part 3280, for Manufactured Housing.

How Long Does The Coverage Last? This warranty begins upon installation and lasts for the functional lifetime of the structure in which Cel-Pak cellulose insulation is installed.

What Will National Fiber Do? National Fiber will supply replacement Cel-Pak insulation only. Labor costs are not included in the replacement.

What Does This Warranty Not Cover? This warranty does not cover problems that are caused by abuse, misuse, or an act of God (such as a flood). Problems caused by structural failure are not covered. Also, consequential and incidental damages are not recoverable under this warranty. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you.

How Do You Get Service? In order to be eligible for service under this warranty you must notify National Fiber, in writing, at:

National Fiber, 50 Depot St., Belchertown, MA 01007

National Fiber will inspect your situation and advise you of the results within 72 hours of its inspection. There is no charge for inspection.

How Does State Law Apply? This warranty gives you specific legal rights, and you may also have other rights, which vary from state to state.
